

I m kirti kulkarni, i m 22 years old, I get married with Dipak Belsare on 15 feb 2019, after one months of marriage my sister in law started my mental harassment, my mother in law and father in law trying to control my personal decisions, my sister in law always calls me and trying to control my personal life and harass me mentally, my home in laws members forces my husband to beat me and slap me, and sister in law was saying that i have to stay at home town and my husband will go to his job n stay alone in pune without his wife. This type of mental and physical harassment they do with me, most of time from first day of marriage my sister in law harasses me, pls protect me in future in case i m in trouble

I m attaching proofs in this file

To,

Subject: About physical & mental harassment

I am Kirti Kulkarni, i m 22 years old, I get married with Dipak Belsare on 15 feb 2019, after one months of marriage my sister in law started my mental harassment, my mother in law & father in law trying to control my personal life & harass me mentally, my home in law members forces my husband to beat me & stop me, & sister in law was saying that i have to stay at home town & my husband will go to his job & stay alone in pune without his wife. most of the time my sister in law was harassing me directly & indirectly.

This type of mental & physical harassment type do with me. pls protect my future in case im in trouble

Regards,
Kirti Kulkarni
